# 1245 Homer Street Vancouver

## Project Description

- 318 Homer Street Vancouver
- Midrise concrete commercial building with 8 stories office and retail. Building has been renovated and modified several times over the lifetime of the building. Owner wanted to bring the upper cornice back that had been removed many years before.
- Building windows required an upgrade and all units were replaced in the building. As well new roof top anchors were added for window washing and a re-roof to finish off the work on the roof.
- Main lobby upgrades including marble and glass walls and upgrade to elevator cab. And finally a fresh coat of paint.
